The national organization formerly known as the Girl Reserves has changed its name this year to the Y-Teens. The Mt. Gilead Y-Teens took in nineteen new members at informal and formal initiations. This brought the total membership to forty-nine.

Nine of our local members attended a District Y-Teen Meeting at Delaware in November.

The Y-Teens made contributions to the March of Dimes, Jr. Red Cross, and YWCA Round-the-World Reconstruction Fund.

P. Linder, D. Hord, B. Dix.

The Hi-Y club began another school year by selecting its main service project for the year. For the second consecutive year the club has compiled and distributed pocket folders containing the seasons basketball schedule.

The club presented the annual Christmas Assembly and co-operated with the Y-Teens in presenting the Thanksgiving assembly.

The club included two social events on its calendar during the current year. They were: A Hi-Y, Y-Teen party and a Spring Dance.

The group was active in the State and District Hi-Y Fellowship. Marshall Phillips was secretary of District 9. Mt. Gilead was represented at Camp Nelson Dodd, the Hi-Y Camp, and at all State and District Conferences.

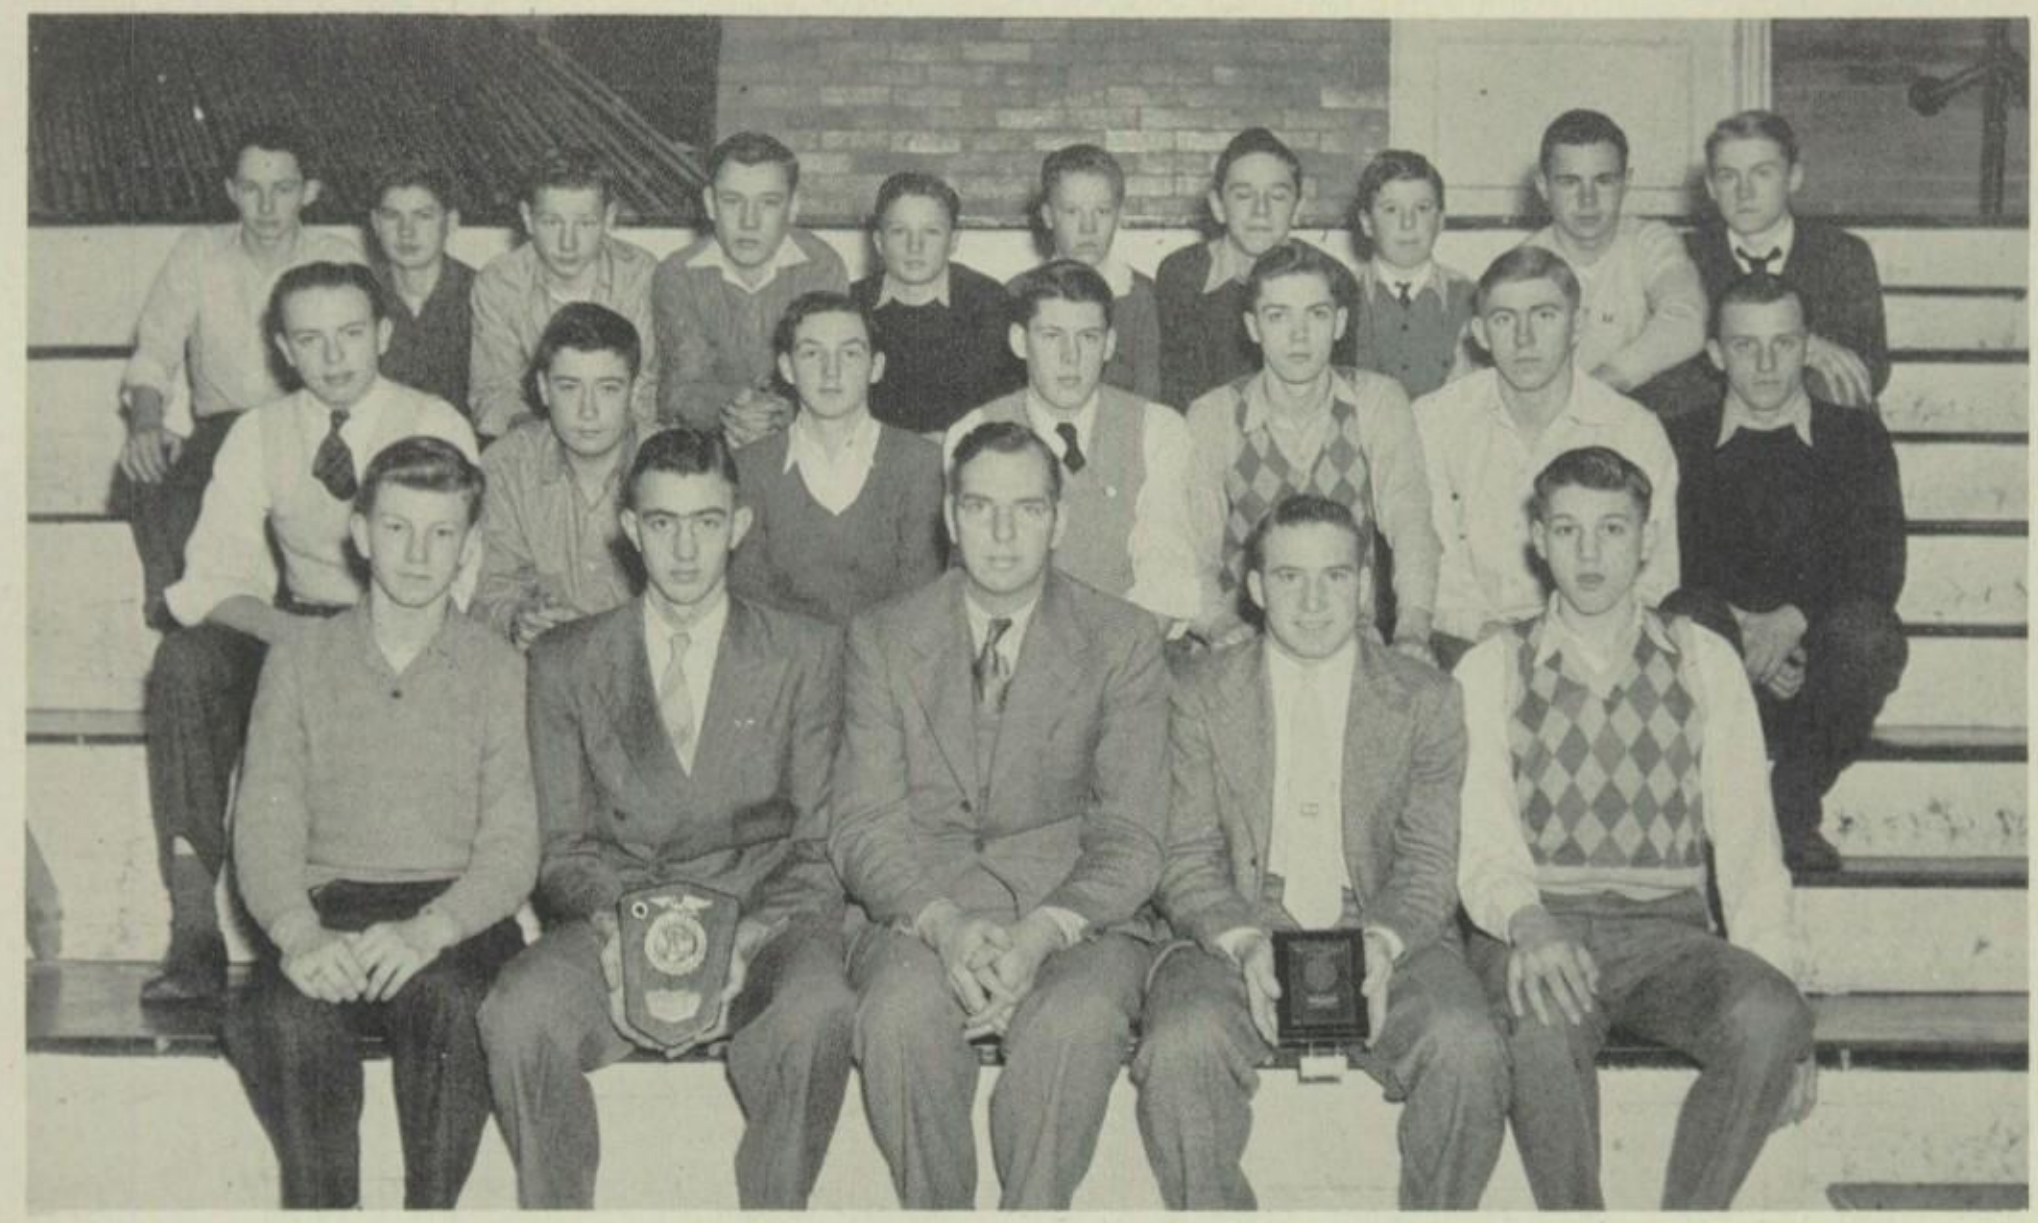
The F.H.A. started the school year by electing officers. Pauline Nesbitt was elected president; Eloise Shipman, vice president; Barbara Foster, secretary; Ann Benton, treasurer; and Loretta Foster, reporter and historian.

The F.H.A. sponsored a Halloween party for the F.F.A. October twenty-ninth. Games were played and refreshments were served.

On January fourteenth, the F.H.A. girls went to Fredricktown to the annual F.H.A. District Convention. Mt. Gilead had the largest group of F.H.A. members. Each school contributed something to the program. The election of officers was held for the District. Margaret Sheehe was elected the new District President. Refreshments were served.

The F.H.A. held a St. Patrick's Day Dance, Mother-Daughter party, and an assembly program.

# F. H. A.



E. Lust, E. Foster, Mr. Beard, J. West, D. Galleher.

F. Phillips, J. Wiseman, R. Dunn, H. Gompf, H. Whrel, G. Rinehart, R. Davis.

J. Miller, P. McQuiston, D. Roach, H. Smith, V. Davis, J. Kitts, H. Taylor, D. Gear, H. Williams, B. LaRoach.

The F.F.A., headed by R. S. Beard, took part in several county, district, and state activities this year, in which awards were taken each time. The parliamentary procedure team won a plaque and gold award for first place in the district contest. Gene Foster, Jesse West, Gene Lust, Frank Phillips, Howard Gompf, Hugh Whrel, Gaines Rinehart, James Miller, Harry Williams, and Bill LaRoach make up the team. A plaque and bronze award were won by the members in the State Chapter Contest for our scrap book. Several members were initiated for Greenhand degree in November. A county ping-pong tournament will be held in March, a parent and son banquet in April, and elections of new officers in May. For June the boys have planned a swimming party. In July they will attend the F.F.A. camp, which is held near New Philadelphia. The year will be completed by the showing of their projects at the county fair.

# ATHLETIC JOURNAL

# FOOTBALL

The Mt. Gilead Indians were a little more fortunate in the "46" football season. The team worked hard the whole season and scored in every game but two.

The Indians had their former coach back, Robert Blose, who coached in 1943, and was called to the armed forces. Most of the boys were new to the coach. The team was light, but had the fight and the spirit for the entire season. There were scarcely any injuries this season and replacements were fairly good. The team won two, tied one, and lost six.

The possibilities for a successful season next year look good, with several experienced men and eleven lettermen returning. There will be a large squad next year which will make for a winning team in the future.

The Mount Gilead Indians had an unsuccessful 1945-46 basketball season. They won 4 and lost 17. One highlight of the season was defeating St. Marys on our floor 34 to 29 dropping them from a tie, at first place in the Mid-state league.

The team has fought hard, and the fighting spirit of the backers of our team was a great help. The fight and enthusiasm of the cheer leaders were greatly appreciated. Another great help was the band playing at the pep meetings.

# GLAMOUR

**FOOTBALL QUEEN AND ATTENDANTS**

*Dear Readers,*

In bringing to you another MIZPAH, we have portrayed an entirely new and different theme, which we hope has proven a pleasure to each of you.

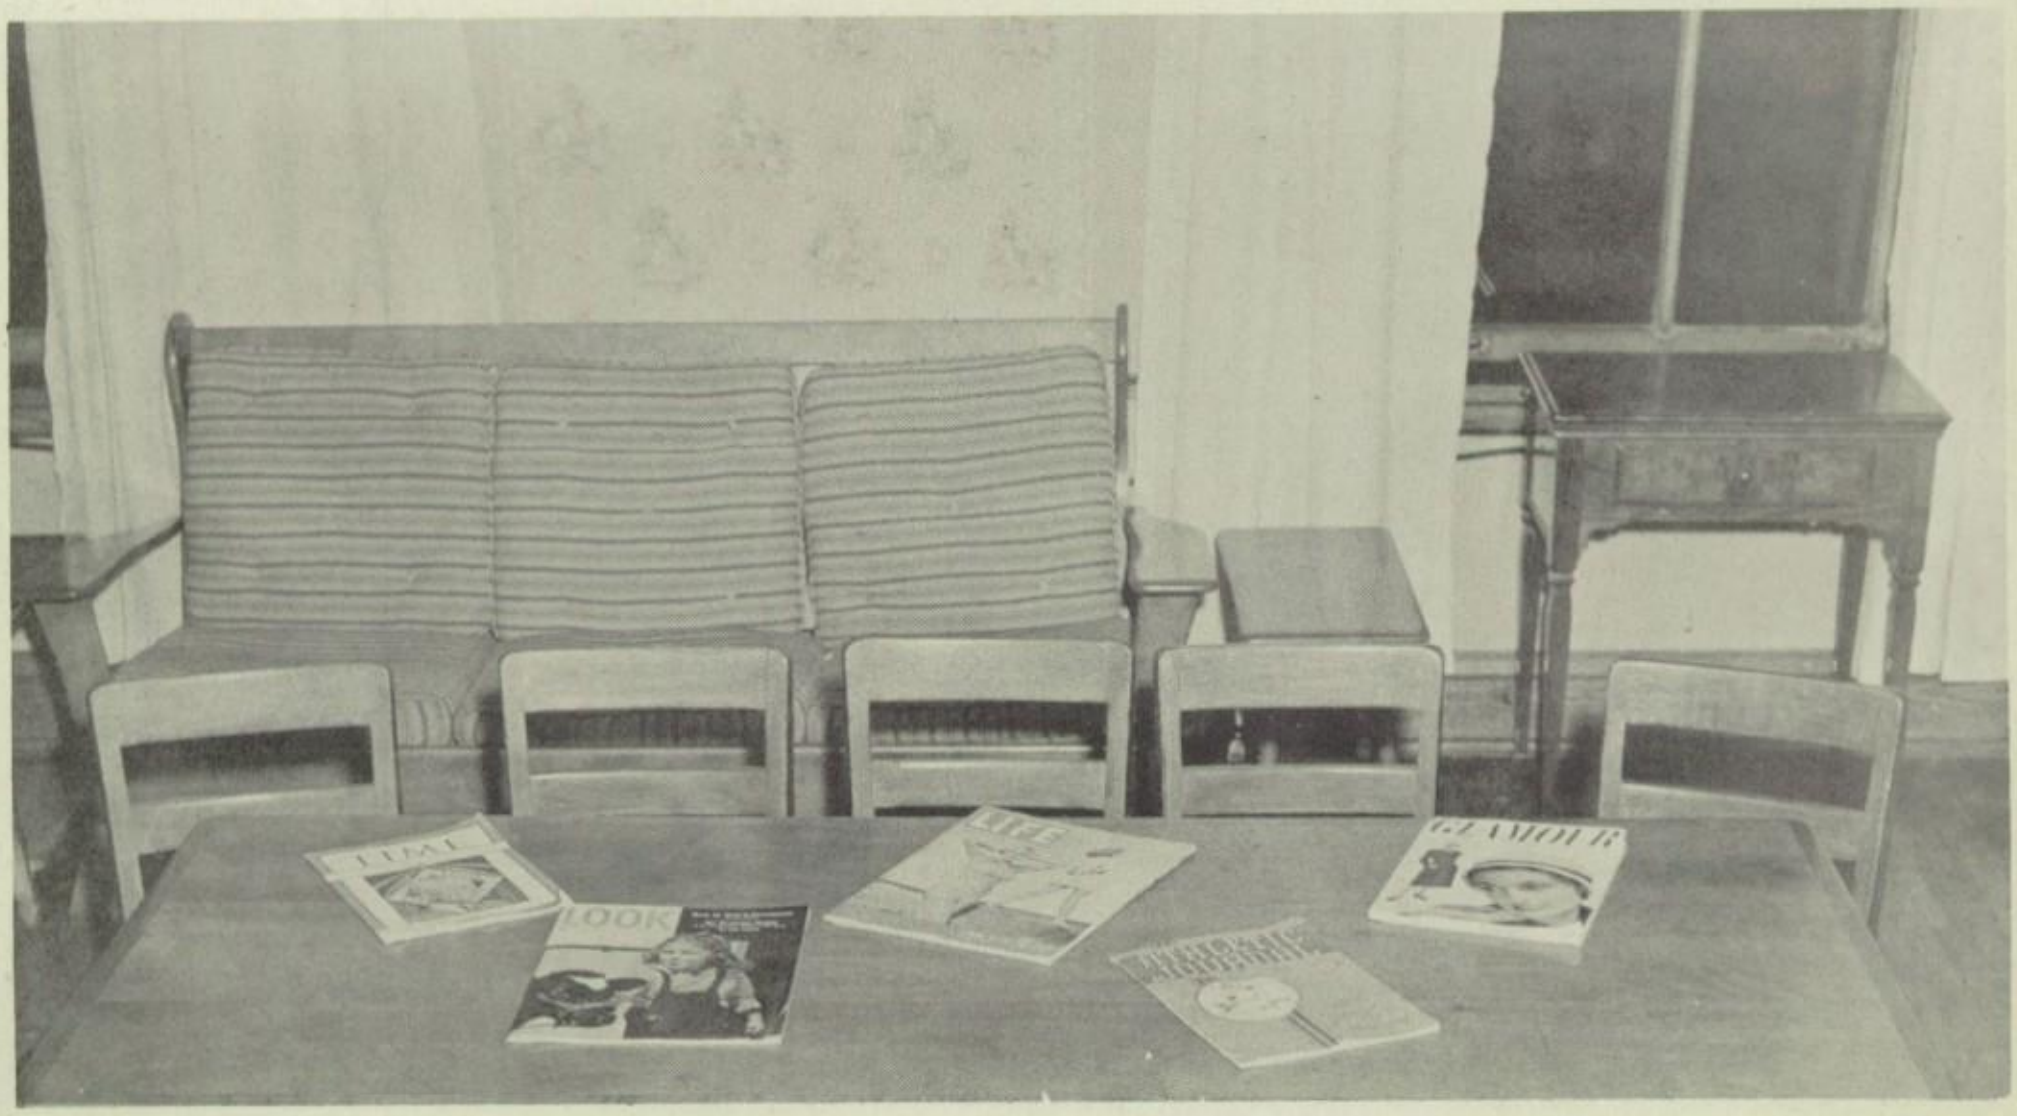
We feel that we should take "Time" to "Look" at the "Life" of students in the class room, and as they compile our "Athletic Journal", and as they shed their "Glamour" through our High School.

I would like to take this space and opportunity to express my appreciation and gratitude to all those who are members of the MIZPAH staff; to Mr. Musselman who has acted as our advisor and who has been at all times a very co-operative counsellor.

I also extend my thanks to the other members of the faculty and those in the community who have made the publication of this MIZPAH possible.

Marshall Phillips

*Editor*



LIFE
LOOK

Our thanks are extended to those merchants, both local and out-of-town, who have contributed generously, through advertisements, to this MIZPAH.

For 70 years, The Hydraulic Press Mfg. Company has been the world's leading builder of hydraulic presses. Much of the company's success is due to the cooperative efforts of its employees and the people of Morrow County, who have seen it grow from a very small concern to an internationally known organization.

Many present H-P-M employees represent the second and third generation of their respective families who have worked at H-P-M. Such family loyalty is one of the keynotes to the company's success.

The early growth of the company was leisurely, its later growth—particularly since 1927—has been at vast accelerated pace. Below are illustrated typical presses built in H-P-M's Mount Gilead plants.
